

2010 Summer Archaeology Series

Come join us for 3 **FREE** presentations to learn more about the earliest inhabitants of the Reservoir Lakes area.

Artifacts from the Reservoir Lakes will be on display and participants are encouraged to bring in artifacts for identification.

All dates and times are Sundays from 1-3pm, at the Boulder Lake Environmental Learning Center.

"WHAT'S HAPPENING AT THE RESERVOIR LAKES"

June 13 Paleo-Indian Era: 8,000 to 12,000 years ago

July 11 Archaic Era: 2,500 to 8,000 years ago

August 15 Woodland Era: 500 to 2,500 years ago
